

2012 - Stone City Kennel Club Rally Class Registration Form:

(Additional 2012 dates will follow)

Rally is a companion sport to Obedience. Rally courses consist of a series of signs/stations that direct the handler to complete various moves with their dog. Handler and dog **MUST** have completed a previous obedience class. Participants **MUST** have basic obedience skills with the dog they are working with: sit, down, stand, come when called, heeling, fronts, and finishes. In the Advanced and Excellent Rally Courses courses jumps are incorporated.

Our Monday Class (7:00 PM) is instructed by Fred Buroff, who is an AKC Obedience and Rally judge. Fred also instructs the SCKC Monday Obedience Classes
Wednesday Class (7:00 PM) is instructed by Michelle Brown, who also instructs SCKC Wednesday Intermediate Obedience class (6:00 PM).

You will learn how to properly perform the various Rally Signs/Stations and you will also learn the rules of Rally. Each week the instructors present a different course and the handlers and dogs are individually instructed through the course.

Advance Resgistration is required: Classes are limited to 10 handlers. No walk-ins will be permitted.
